

## PRIVACY POLICY

### Information and How We Use It

**Beneficiency One, LLC** is committed to protecting the confidentiality of our customer's personal information. We do not sell or rent your personal information to any third party. Any personally identifiable information you give us is held with the utmost care and security, and will not be used in ways to which you have not consented.

During the registration and credit card process, we ask for your name, email address, return postage address, credit card account number, name on your credit card and expiration date and billing address of your credit card account. This information becomes your "permanent" identity. Once you register you are no longer anonymous to Beneficiency One, LLC.

By visiting [beneficiency.net](http://beneficiency.net), you are accepting the practices described in this Privacy Policy.

### Policy Changes

**Beneficiency One, LLC** may deem it necessary or appropriate from time to time to modify this Privacy Policy to reflect changes in the way we collect or use information or changes in privacy-related laws, regulations or industry standards. Accordingly, we reserve the right to change this Privacy Policy at any time by posting a revised policy on this Site. Information will be handled according to the Privacy Policy in effect at the time. You can review the most current version of our Privacy Policy at any time at our website.

### Links to other sites

At times there may be links on our site. Understand that we cannot control the content or privacy practices of these websites. You are encouraged to read the privacy policies of the linked sites as they may differ from ours.

### Cookies

To enhance your experience while visiting this website, many of our web pages use "Cookies." Cookies are small bits of text that can be placed by our web servers into a file on your computer's hard drive and utilized by **Beneficiency One, LLC** to help customize and enhance your visit to this website with information that may be useful to you based on your prior visits. **Beneficiency One, LLC** uses cookies to understand website usage and to improve the content and offerings on this website. Cookies, by themselves, do not tell us your e-mail address or other personally identifiable information unless you choose to provide this information to **Beneficiency One, LLC**. However, once you choose to furnish the site with personally identifiable information, this information may be linked to the data stored in the cookie. **Beneficiency One, LLC** may also use technology to detect the version and settings of your web browser and optimize the size, formatting, and appearance of this website to that specific web browser's functionality.

### Security

Information that is passed between your browser and our site is encrypted with the Secure Socket Layer (SSL) system. This creates a protected connection between you and our site to ensure confidentiality. All personally identifiable information collected in order to provide you with the services on our site is securely stored in our system.

## **Credit Card Information**

Any time we ask for credit card information we transmit that credit card information in an encrypted format. We use industry-standard, SSL (Secure Sockets Layer) encryption.

Unfortunately, no data transmission over the Internet can be guaranteed to be 100% secure. As a result, while we strive to protect your personal information, **Beneficiency One, LLC** cannot ensure or warrant the security of any information you transmit to us or from our online products or services, and you do so at your own risk. Once we receive your transmission, we make our best effort to ensure its security on our systems.

Real time authorization, capture and execution of credit card purchases are performed over the Internet via PayFlow Pro. In addition to checking for a valid credit card number, the system verifies the billing address to help reduce fraud. All accounting reports of credit card transactions are managed on a strictly confidential basis.
